Special Guidance Scheme

Under the 'Students Development Committee' of Savitribai Phule Pune University the 'Special Guidance Scheme' is run every year by the Department of Mathematics for Backward and Economically Backward students of F.Y.B.Sc. class. Generally mathematics is supposed to be a tough subject. We try to attract the students to take interest in Mathematics through taking extra classes of Mathematics on Sundays and holidays under the special guidance scheme. This scheme is very useful to understand the concept of mathematics to the students.
